

To Captain & Section Officers

From BB Wales Office

In 2012 it is the 125th Anniversary of the Boys' Brigade in Wales.

To celebrate this event the Wales Regional Committee are organising an event at St Madoc's Christian Centre, Llanmadoc, Swansea SA3 1DE (**The Gower**) over the weekend of the **22nd -24th June 2012**

The centre has excellent facilities, sports hall, sports field, tennis and volley ball courts and a large multi -purpose dining and meeting room. The location is surrounded by woods and open countryside for walks and activities. There is a beach within close walking distance.

Transport to the event will be organised by the Regional Committee with buses calling at each company address for a pick-up and return.

Junior Section with their leaders will occupy the centre, that has dormitories with en-suite facilities. The suggestion is that the Juniors arrive tea time on Friday and leave after tea on Sunday. We are planning for the catering to be done by the staff of the centre, which will free up our leaders time to run the activities.

Company & Senior Section will be camping in the adjoining field in tents which will be provided. Toilet and showers will be available and meals will be provided in the dining room at the same time as the others or at a second sitting. There may also be an opportunity for those engaged in expeditions for the DoE award to hike to the Centre using the weekend as a practice.

Anchor Section – will join us for an Activity Day on the Saturday arriving say at 10am and departing at 4pm. Food and drink could either be brought by them or provided.

The various costs have yet to be established but the intention is that this will be “all inclusive” including transportation. Grants may also be available to companies/individuals.

This will be an excellent opportunity for the Wales Region to celebrate 125 years of service to God and to do so together in wonderful surroundings.

The event is for all to enjoy and to bring us closer together as a region of the BB. Its success will rely on officer and helpers support, to give the children and young people an event to cherish and remember.

We appreciate that the event is some way in the future and know that predicting numbers that would attend is something of guess work. However knowing your companies **present numbers** will give us a guide as to numbers available in June 2012. Your company 's support for this event is essential so that we can then confirm the booking of the Centre and begin to start to detail costs/ logistics etc.

This event will take place and may also be a springboard for the BB in Wales to grow!

Please respond by email or letter by the 10th April 2011 with your present company numbers

ANCHOR =

JUNIORS =

COMPANY SECTION to SY9 =

SENIOR SECTION from SY10=

Please also give a commitment that your company will support this event
